

Package 1 £1,250

This package is ideal for those in need of fresh eyes but want to manage their own upgrade project.

- Online or on-site review of property
- Personalised advice on interior styling to include colour schemes, artwork and furnishings including estimated price of project
- Business review – analysis of current turnover and estimated projection post upgrade feedback
- Marketing and rental management advice (feedback on current websites / OTA listings) and how to maximise exposure
- For additional fee, assistance in website design package
- Presentation pack prepared to keep and begin your project any time you wish

This advice can then be applied by yourself around existing bookings and when your budget suits.

If you decide to upgrade to package 2, your initial fee will be deducted from this.

Terms and Conditions – this price is based on a standard sized property including kitchen; lounge; dining room; up to 2 bedrooms; 1 bathroom; external front façade and rear. Additional rooms and spaces can be covered for a fee of £250 per space.

Note a full detailed external landscape design is not provided.

Financial forecast is an estimate only and HHU not responsible for any failure to uplift.

Up to three review changes can be requested within this service fee. Additional advice to be charged at an hourly rate of £125.
